PRODUCT

Disabled Fueling Assistance Unavailable

Due to the limited number of employees at this service station, we are unable to provide fueling services. For information regarding enforcement of laws providing for access to fueling services for persons with disabilities, you may call the California Assistive Technology System at 800-396-2699.

Disabled Fueling Assistance Available From

Disabled individuals properly displaying a disabled person's plate or placard, or a disabled person's plate issued by the Department of Motor Vehicles, are entitled to request and receive service at the service station for which they may not be charged more than the self-service price. For information regarding enforcement of laws providing for access to refueling services for persons with disabilities, you may call the California Assistive Technology System at 800-396-2699.

We are happy to provide assistance upon request
